

Vietnam Veterans of America has commissioned a Membership Publication to celebrate our members' years of service to their country and our unwavering commitment to protect and enhance the benefits you and others earned through that service.

Harris Connect, one of the nation's leading providers in multi channel solutions for nonprofit organizations, has been chosen to produce our publication. You will have the unique opportunity to share your experiences and hopes for the future with fellow veterans. Plus, you will be able to submit a photo of yourself or your family and let others know what is happening in your life today.

When you receive your postcard or email about the project, please take a few moments and call to verify your information. There is no cost to be included in the publication.
