HGDP REPORT INSTRUCTIONS

This report should be a consolidated report reflecting the combined expenditures of your chapters as well as the state council expenditures.

The HGDP Grant Agreement states in part that “In general, State Council shall not retain more than 25 percent of the funds received for its own use”. Several states, with the approval of their chapters, retain the majority if not all of the funds received and disburse these funds at the state level. If this is the case with your state, submit written chapter approvals concurring in this procedure.

HGDP funds are to be used for charitable purposes only. They are NOT to be used for social events or building funds.

Fill in the top of the report indicating the report period, whether it is Semi annual or Annual and finally the state council name.

Description of Disbursements --- These are the categories of recognized acceptable expenditures.

Chapter Expenditures --- Combine the dollars spent by all your chapters, if appropriate, into the respective category. NOTE: Rounding off your figures is encouraged.

State Expenditures --- Categorize state expenditures into the respective lines.

Total --- Add chapter and state figures.

Total TOTAL --- This figure should equal the total amount of HGDP grant funds received by the state during the fiscal year.

Verification and Certification --- Have the certification signed by two officers and identify their titles.

NOTE: Keep a master copy of these instructions as well as of the report for future use. The report and instructions will not be sent out on a regular basis unless there is a change to the report or the instructions.
