- 2) The Cadet must be in their second year of JROTC and committed to a third year
- 3) Cadet is in the upper 25 percent of his class academically
- 4) Top 25 percent of his unit in JROTC achievements – Classes emphasizing JROTC course of study.

INVOLVEMENT

Chapter Involvement in Area JROTC Units

VVA Chapters will be responsible for contacting their local educational institutes that have JROTC Units to explain the award, explain the award to the cadets, to offer assistance in selecting, and to be available to present the award to the Top Cadet at a ceremony of the school's choosing. A narrative of the Cadet's accomplishments and reason for selection would be provided by the school to the Chapter.

Chapters will be responsible to purchase the medals and ribbons for their schools. Approximate cost \$15 per medal/ribbon. Medals and ribbons are purchased from National VVA – Mokie Porter at mporter@vva.org or by calling 301-585-4000.

The Top Cadet to receive the medal and ribbon will be selected by the faculty and advisors to each school's JROTC Units.

The recipient information of the Unit Top Cadet award from each school would then be sent to the respective State Council, by the Chapter, with a nomination narrative to compete with all of the schools' Top Cadets for the State Council Top Cadet designation.

State Councils

State Councils will create a selection committee made up of members of the State Council. This committee will be responsible for selecting their individual State Top Cadet. Any rewards for this selection would be strictly the decision and responsibility of the State Council. Only one selection, to be sent forward for national competition, will be made per State Council.

Once the State Council makes their Top Cadet selection that one State Council Top Cadet narrative and information will be forwarded to the Chair, VVA National Public Affairs Committee for judging by the VVA National Awards Committee (Dennis Howland – dennishowland@msn.com), where three (3) cadets will be selected to receive (1st Place) \$2500, (2nd Place) \$1500 and (3rd Place) \$1000).

Deadline for the submission for National Competition will be NLT April 1st of the current school year – emailed to dennishowland@msn.com.
